AGRICULTURE
IMPROVING
LIFE

The only University in South Gujarat offering Bsc. (Hons.) in Agriculture

ABOUT THE UNIVERSITY

P P Savani University (PPSU) sits ensconced among one of the most scenic campuses in this part of the country. It is spread across a green expanse covering 100 acres housing the Schools of Agriculture, Design, Engineering, Homeopathy, Liberal Arts, Specialized Sciences, Management, Nursing, Physiotherapy and the Centre for Language Studies. The School of Ayurveda will add its name to the assemblage soon.

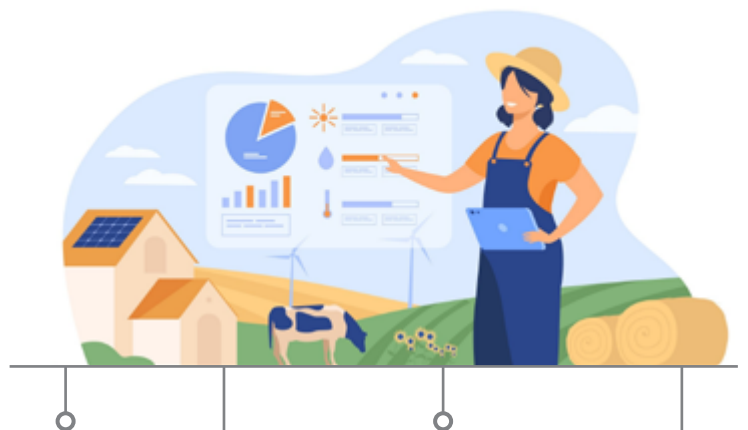

WHY AGRICULTURE?

VISION

- Solve problems of farming communities which may result in an improved standard of living for everyone.
- Develop life skills among learners to help them become future farmers and researchers.

OBJECTIVES

- To develop research aptitude among students
- Undertake student and farmer-oriented extension activities
- To explore the student-farmers-scientist interface for gaining perception about farming communities
- To develop employability skills among the youths for entrepreneurship

Demographically
the broadest
economic sector

Contributes
to the
socio-economic
development of
the nation
