ABOUT THE UNIVERSITY

P P Savani University, PPSU stands as a prominent hub of knowledge in the realm of higher education. Boasting a strong track record and an extensive immersion in the field of education, the institution demonstrates remarkable proficiency across the entire educational spectrum. It serves as a comprehensive and globally accessible higher education destination for students. With a storied history and a distinguished lineage, P P Savani University possesses a distinctive quality that distinguishes it from other academic institutions.

PPSU places a strong focus on providing well-designed learning experiences that improve academic skills, boost confidence, shape character, and instill the values of good citizenship. In essence, PPSU believes that the true mission of modern education is to foster this transformative process, creating a more meaningful educational experience.

School of Agriculture

VISION

- Solve problems of farming communities which may result in an improved standard of living for everyone.
- Develop life skills among learners to help them become future farmers and researchers.

OBJECTIVES

- To develop research aptitude among students
- Undertake student and farmer-oriented extension activities
- To explore the student-farmers-scientist interface for gaining perception about farming communities
- To develop employability skills among the youths for entrepreneurship

WHY AGRICULTURE?

Demographically the broadest economic sector

Contributes to the socio-economic development of the nation

India's around 58% population depends on agriculture as a primary source of their livelihood

The agricultural sector is contributing about 14% to the Gross Domestic Product (GDP) of the country

The only University in South Gujarat offering Bsc. (Hons.) in Agriculture

WELCOME TO INDIA'S PREMIER AGRICULTURAL INSTITUTION... THAT PROVIDES UNPARALLELED EDUCATION!
