The resident students are encouraged to participate in cultural and social activities. Colourful evenings of song and dance are not unusual on the campus. The inmates of the hostel are encouraged to live in harmony, like one big family, lending each other a helping hand whenever required, mutually cooperating to make hostel life a rich and fruitful experience.

There is no doubt that during these formative years in the hostel, life-long bonds are created and friendships cemented. This is a time, which will stand out in the memory as a golden period.
