University's progress against SDG5: Gender Equality

The University's progress on gender equality is reported metric by metric in the SDG 5 section of this submission. It tracks admissions and progression by gender, has non-discrimination policies covering women and transgender people, gives women access schemes such as scholarships and hostel priority, and provides maternity and paternity leave.

The Women's Cell runs the mentoring scheme, and the Internal Complaints Committee handles discrimination and harassment complaints under the POSH Act, 2013.

This summary is supported by the documents listed against each SDG 5 metric.
