This memorandum of understanding is entered into between Mamta Rehabilitation Centre managed by WBVF and P P Savani School of physiotherapy whereas the Mamta Rehabilitation Centre is reputable charitable organization committed to providing quality care and service to paediatric patients.

Whereas, both parties recognize mutual benefits and values of collaboration, education and skill development in the field of paediatric physiotherapy.

Whereas, the parties desire to establish a structured internship program that will allow the intern to gain hand on experience, enhance clinical skills and contribute to the care and wellbeing of paediatric patients under the guidance of paediatric physiotherapists.

1.0 Objective:

The organization provide a physiotherapy internship to students allowing them to gain experience in paediatric physiotherapy where we work with physically challenged children (C.P, DMd, Autoimmune disorder, Genetics disorder, down syndrome, positive deformity, I.D.)

The Intern acknowledges and agrees to actively participate in the internship, acquiring knowledge applying theoretical concepts, and developing professional Competencies under the supervision of qualified physiotherapists.

2 Duration and Schedule:

The physiotherapy internship shall commence on _____ and conclude on _____, unless otherwise mutually agreed upon in writing.

The Intern schedule shall be determined by the organization and communication to the interns will be made in advance.

3 Role and Responsibilities:

- The Organization Agrees to:

I. Provide the intern with meaningful learning experiences, exposing them to variety of clinical cases, treatment modalities and rehabilitation techniques.

II. Offer opportunities for the intern to observe and actively participate in patient assessments, treatment sessions and therapeutic interventions, while respecting patients' confidentiality and privacy.

III. Provide a safe and conducive working environment, necessary resources, and access to relevant equipments and facilities required for the internship.

IV. To provide an internship certificate to the student after the completion of the duration.

V. The Organization shall not provide any pick-up and drop facility. If required it can be arranged on a paid basis.

- The Intern Agrees to:

I. Actively engage in the internship, demonstrating professionalism, punctuality, and a strong work ethics.

II. Follow the organization's policies, procedures, and code of conduct during the internship period.

III. Follow dress code policy i.e. simple and modest dress (EX: Kurtis)

IV. Maintain professional standards in all interactions and activities.

V. Will take utmost care of children with regard to their safety.

VI. The interns shall ensure that they are on time at designated location.

4 Financial Aspect:

- Internship fee / financial responsibility

a) The interns agree to pay an internship fee to the Mamta Rehab Centre for participating in physiotherapy internship.

The internship fee amount shall be Rs. 2500 [rupees two thousand and five hundred only] for the entire duration of the internship. → per student

First to final year students will not be charged for their posting. The internship fee is applicable to interns only.

The internship fee is non-refundable under any circumstances including early termination by the intern or the organization.

The intern shall be solely responsible for any additional cost or expenses incurred during the internship period that are not explicitly covered by the internship fee.

If any student wishes to avail transportation service, we will arrange it, on a chargeable basis.

5 Non - Financial Consideration:

The internship is an unpaid educational opportunity, and no financial compensation or stipend shall be provided to the interns by the organization.

6 Communication:

Any communication or notice or intimation shall be addressed to the project coordinator of the respective parties and sent to the registered address of the parties concerned and such communication sent by email, telefax, registered post shall be deemed to be sufficient.
