PPSU - OUR ACADEMIC EDGE

- Focused on the production of appropriate, practical and creative solutions while working within specific types of constructed space.
- Encouraging bold, critical, conceptual thinking and the clear communication of ideas.
- Excellent resources, including an extensive workshop and studio (known as Concept to Reality, or C2R) that is widely regarded as the best of its kind in architectural education.
- C2R offers access to traditional woodwork and metalwork resources CNC machining, advanced computing and materials testing.
- All students participate in the annual C2R Summer Show, a major exhibition at the end of the academic year which attracts visitors.

PROFESSIONAL GATEWAYS

- Career – Interior design firms, Infrastructure firms, Architectural firms, Consulting firms and Teaching Profession.
- Higher Learning – Master of Interior Architecture & Design, and similar courses in Indian and International universities.
