ABOUT P P SAVANI UNIVERSITY

We, at P PSavani Group, have been the source of Educational Inspiration for the generations of students for the last 30 years. Launched in 1987, P PSavani Education Trust was initiated with a school. Today, the trust has expanded itself over the years with a group of schools in not only Surat district but also across Gujarat with student strength of more than 45,000. In 2016, the trust expanded its horizons with the launch of P PSavani Knowledge city- an initiative in higher education to align with global standards of excellence. Through this immersive educational endeavor, the Governing body aims to ignite a new era in higher education and create a talent pool of professionally sensitized industry- ready professionals in South Gujarat. A world class 100 acre campus has been developed consisting of Hi- Tech Infrastructure facilitating undergraduate, postgraduate, research, and certificate and skill development programs.

Presently, P PSavani University offers several academic programs under 06 Schools- Sciences, Engineering, Management, Architecture & Design, Physiotherapy and Nursing. The university fosters an aspiration to attract the best not only from Gujarat but also nationwide. We aspire to be the ideal place where the students channelize their energy in developing competence to utilize knowledge and skills in the chosen field. Today, in the hyper- competitive world of survival of the fittest, we assure to equip the students with the apt tools to build the solid foundation for their careers.

The university desires to establish an environment wherein the students assimilate knowledge and develop critical thinking through state of art laboratories, industrial exposure, interactive session's industry experts, scientists and business tycoons. The tie ups with the industries in various sectors are aimed at providing placement support to the students and also to leverage the industry academic interface to promote research and consulting projects. The process of developing strategic partnerships with Indian and international universities of repute is in pipeline.

The university also believes in strong conviction in the holistic development of the students through sports, cultural and recreational activities in the campus. Moreover, idyllic stroll by the lakeside makes the academic experience more joyful and peaceful. Also, celebration of the national holidays as well as other diverse events like Yoga day, Rose party or Guru Purnima among the staff members and students strengthens a connection to the community and the desire of giving back to the society. The university is nestled in the outskirts of the city and the ambience proves to be an inspiration to inquisitive minds.

Come, visit and expertise the vibes!!

PROVOST'S MESSAGE

“Take a look around. We are the future of health care.”

Nursing is an art and science. A professional Nurse learns to deliver patient care tactfully with compassion, caring and respect for each patient's dignity. Nursing as a science is based upon a body of knowledge that is always changing with new innovations. When nurses integrate the Science and art of nursing into their practice the quality of care provided to patients is at a level of excellence that benefits patient's in innumerable ways.

The School of Nursing is the living embodiment of the future health care. And this future is not simply something that our students, faculty, and staff hope to see one day; they are making it happen here and now. So where exactly should you look to see this future?

We P PSavani School of Nursing provide the best opportunity for students to learn. The courses offered are B.SC Nursing & GNM both are cognized by the Indian Nursing Council/Gujarat Nursing Council. I can confidently say that P PSavani School of Nursing is one of the best nursing institutions in the state in terms of faculty, infrastructure and clinical learning facilities. We believe that our students are our treasure, our faculty is our strength and our management is our support for continuous growth.

As per W.H.O, 2.4 million nurses are required in India and in most countries of the world there is a shortage of nurses. The developed country fills its vacancies by enticing nurses from other countries. Nursing is such a profession that they will get job with highest salary in any part of the world, Indian nurses has lot of demand in abroad such as USA, UK, Europe, Australia, Dubai, Canada etc. Within India lots of opportunities available in both the Govt and private sectors.

I welcome you all to the Noble profession and wish you a bright future.

INSPIRATION FROM PRINCIPAL

*“Bound by paperwork, short on hands, sleep, and energy... nurses are rarely short on caring.” -**Sharon Hudacek***

P P Savani School of Nursing, through education in the allied sciences and professions, empowers women and men to challenge themselves academically, to serve and to lead.

The School's approach to education is based upon a philosophy dedicated to the cultivation of a liberally educated professional person. Each student is offered a unique blend of Nursing arts and professional educational experiences. We encourage the students to take full advantage of the variety of learning opportunities while pursuing their educational goal of becoming a professional nurse.

Our School of Nursing has an excellent, efficient and highly motivated faculty who has planned meticulously all the curricular and co-curricular activities for the students. The curriculum is designed in such a way that students passing out from our School of Nursing has the right Competencies and Skills required for the Nursing Profession. The information included in this handbook has been chosen with two purposes in mind. First, an informed student is a better student. We want students to understand the educational goals and mission of the entire program in order to facilitate integration of individual course content into your overall view of the nursing profession. Second, the faculty take seriously the responsibility of providing students with a quality education that will prepare them to fulfil their responsibilities as a professional nurse. However, the student is the one ultimately responsible for taking full advantage of the program. This handbook provides students with the information necessary for them to take on that responsibility.

P P Savani School of Nursing heartily welcomes all the aspiring students to incorporate professional standards of moral, ethical, and legal conduct into practice and develop leadership concepts to deliver high quality health care.

Wish you Good Luck and a Bright Future ahead.

Important Terms

- a. **Academic year:** two consecutive (one odd+ one even) semester constitute one academic year.
- b. **Semester:** each semester will consist of 15-18 weeks of academic work equivalent to 90 actual teaching days. The odd semester may be scheduled from October to March and even semester from April to September.
- c. **Programme:** An educational programme leading to award of a degree, diploma or certificate.
- d. **Courses:** usually referred to, as “Paper /Subject” is a component of programme. All courses need not carry the same weight. A course may be designed to comprise lectures/ tutorials/ laboratories/ work/ field work/ out-reach activities/ project work/ vocational training/ viva/ seminars/ term papers/ assignments/ self-study etc. or a combination of some of these. The courses should define learning objectives and learning outcomes and pre- requisite if any.
- e. **Choice- based credit system-** the CBCS provides choice for students to select from the described courses (foundation, core, elective or skilled courses). Choice- based semester system will be followed across P PSavani University both at under-graduate and post graduate levels. Each enrolled student will be required to take a minimum specified load of course work in the chosen subject of specialization and also complete a project / dissertation if any. Once registered at the start of semester, no student will be allowed to withdraw at any point of time, during the semester. (NOT APPLICABLE FOR SCHOOL OF NURSING)
- f. **Credit based semester system (CBSS)** - Under the CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be completed by the student. (NOT APPLICABLE FOR SCHOOL OF NURSING)
- g. **Credit-** A unit by which a course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching(lecture or tutorial) or two hours of practical work / field work per week in general, 1 credit is equivalent to 15 hours of teaching (lecture or tutorial) or 30 hour of practical work / field work.
- h. **Letter Grade-** it is a index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F.
- i. **Grade Point:** It is a numerical weight allotted to each letter grade on a 10-point scale.
- j. **Credit Point:** It is the product of grade point and number of credits for a course.
- k. **Semester Grade Point Average (SGPA):** It is a measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various

courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

- l. **Cumulative Grade Point Average (CGPA):** It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.
- m. **Transcript or Grade Card or Certificate:** Based on the grades earned, a grade certificate shall be issued to all the registered students after every semester. The grade certificate will display the course details (code, title, number of credits, grade secured) along with SGPA of that semester and CGPA earned till that semester.

Admissions

- Admission under various courses will be done as per prescribed guidelines of the Government of Gujarat and P P Savani University

Programme Duration

- The minimum and maximum duration of various programmes offered at P P Savani University are as under:

SCHOOL	SPECIALIZATION	MINIMUM NO. OF SEMESTER	MAXIMUM NO. OF SEMESTER
School of Nursing	B.Sc Nursing	8	16
	GNM	6	12

Course Evaluation

All Courses/Subjects offered at P P Savani University shall be evaluated under two heads:

- Continuous Evaluation (CE) component which is under sole discretion of the course coordinator. It is expected that the continuous evaluation should consist of Unit Test/Weekly Test/Fortnightly Test/Class Test/Presentations/Project Work/Assignment/Group Discussion/Quiz/Seminar/Debate etc. The maximum mark of Continuous Evaluation (CE) component is 25 percent. The marks of CE component should be submitted by course coordinator to University Exam Section in the format prescribed by the University.
- End Semester Examination, conducted by University through written paper or practical test or oral test or presentation by the student or a combination of any one, two or more of these. The maximum mark of End Semester Examination is 75 percent.

- The End Semester Examination will be evaluated by appointing two subject experts, one from outside University and another from within University, for all courses offered under University.
- The total of the Continuous Evaluation Component and End Semester Examination marks in each course will be converted to a letter grade on a ten-point scale as per the following scheme:

Percentage of Marks (%)	Grade	Grade Point
92-100	O	10
83-91.99	A+	9
75-82.99	A	8
67-74.99	B+	7
58-66.99	B	6
54-57.99	C	5
50-53.99	P	4
<50	F	0

- In order to earn the credit in a course a student has to obtain grade other than F.
- **A student, who obtains (less than 50 % marks) has to repeat the university examination till he/she obtains grade B.**
- No student is allowed to upgrade the grade.
- The student's performance in any semester will be assessed by the Semester Grade Point Average (SGPA). Similarly, his/her performance at the end of two or more consecutive semesters will be denoted by the Cumulative Grade Point Average (CGPA). The SGPA and CGPA are calculated as per guidelines of UGC.
- In a semester, the SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e. $SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$ Where, C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.
- The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e. $CGPA = \frac{\sum(C_i \times S_i)}{\sum C_i}$ Where, S_i is the SGPA of the i th semester and C_i is the total number of credits in that semester.
- The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the grade-card & transcript.

Promotion Rules

- All the students of odd semester are allowed to move to even semester irrespective of their results.
- At the end of a year, a student is not allowed to move to odd semester in case of his/her CGPA is less than 3.00.
- Over and above, the school has to follow the guidelines laid down by the statutory body time to time.

STUDENT CODE OF CONDUCT

PREAMBLE

The student code of conduct [Code] is established for students to facilitate a safe and secure learning environment in University. PP Savani University is a community of students, faculty and staff involved in learning, teaching, research and other intellectual activities. All members of this community are expected to conduct themselves in a manner that contributes positively to an environment in which respect; civility, diversity, opportunity and inclusiveness are valued, so as to assure the success of both the individual and the community. The University recognizes and values the diversity of student experiences and expectations, and is committed to treating students, both academically and personally, in a fair and transparent manner. It holds individuals and groups responsible for the consequences of their actions.

Students are responsible for reading, understanding and abiding by the Code. Failure to fulfill these responsibilities may result in the withdrawal of privileges or the imposition of sanctions. It also ensures to protect persons, properties and processes that support the University and its mission. The University is morally responsible to students and other stakeholders, and strives to enhance their experience by providing an opportunity to teach and learn in a campus that is free of any disruption.

APPLICABILITY

The Code shall be applicable to all the students admitted to the University which includes any academic programme, activity or event conducted at various constituent institutes /departments of the University, pursuing undergraduate, graduate, professional studies. The Code applies to all locations of the University. All Students coming within the above categories are required to strictly adhere to this Code as a condition of their admission to the college and this Code would be binding and enforceable against them or any among them. At the time of admission, each student must sign a statement accepting this Code and by giving an undertaking of the same.

Prohibited conduct under the Code includes

1. Academic Misconduct

Academic misconduct is any other act that disrupts the educational process or provides a student with an academic advantage over another student. Academic misconduct includes, but is not limited to

1(a) Plagiarism

Plagiarism is the inclusion of someone else's words, ideas, images, or data as one's own. When a student submits academic work that includes another's words, ideas, images, or data, whether published or unpublished, the source of that information must be acknowledged with complete and accurate references and, if verbatim statements are included, with quotation marks as well.

1(b) Fabrication

Fabrication is the use of invented information or the falsification of research or other findings. Fabrication includes,

- The false citation or acknowledgment of a direct or secondary source, including the incorrect documentation of a source;
- The citation, in a bibliography or other list of references, of sources that were not used to prepare the academic work;
- The unauthorized submission of an academic work prepared totally or in part by another; or
- The submission of fabricated or altered documentation in support of any completion of academic work, an excusal from class, postponement or extension of a due date or a change of grade.

1 (c) Cheating

- Cheating is an act or an attempted act of deception by which a student seeks to misrepresent that he or she has mastered information that has not been mastered. Cheating includes,
- The unauthorized collaboration with any other person on an academic exercise, including collaboration on a take-home or make-up academic exercise;
- The unauthorized use of electronic instruments, such as computers, cell phones, translators or personal response systems (clickers) to access or share information.

2. Disruptive Conducts

Specific violations of this standard include,

- Committing or threatening to commit any act of physical violence against self or another. This includes, hitting, kicking, scratching, punching, shaking, slapping, burning or restraining;
- Threatening the health, safety, or welfare of another;
- Interfering with the freedom of movement of another;
- Invading the privacy of another;
- Interfering with the right of another to enter, use, or leave any University building, facility, property, service, resource or activity;
- Interfering with a faculty member or University official in the performance of their duty;
- Interfering with the freedoms of speech, religion, or association of another;
- Trespassing or the unauthorized entering or accessing of any University building, facility, property, service, resource or activity or any location within the **jurisdictional boundaries** of the Student Conduct System;

- Making, exhibiting, or producing any inappropriate, loud or disruptive noise or behavior; Acting recklessly or in a manner that causes a disruption to the orderly function or operation of the University.

3. **False Information**

- Making a false or misleading oral or written statement to any University official or faculty member (including, but not limited to, application for admission, financial aid, residency classification or participation in any special programs sponsored by the University) when the student knew or should have known the statement was false;
- Making a false or misleading oral or written statement at any point of the student conduct process or any other process used to address student behavior;
- Making a false or misleading oral or written statement that misrepresents the character, qualifications or reputation of another;
- Falsely reporting a safety hazard (including but not limited to, a fire, explosive or incendiary device) by any means including by activating an emergency phone on campus when no emergency actually exists;
- Falsely reporting a crime or violation of this Code of Conduct or any other University policy;
- Possessing or displaying any form of false identification or any identification not one's own;
